The 2016-2020 Zimbabwe United Nations Development Assistance Framework (ZUNDAF), co-chaired by Government and the United Nations, supports national development efforts in six result areas. The six result areas, fully aligned to the Sustainable Development Goals (SDGs), are Social Services and Protection; Poverty Reduction and Value Addition; and Food and Nutrition. The remaining three areas are Gender Equality; HIV and AIDS; and Public Administration and Governance.

Fifteen outcomes have been elaborated along the 2016-2020 ZUNDAF result areas explicitly linked to national development prioritise under the Zimbabwe Agenda for Sustainable Socio-Economic Transformation (ZimAsset).

In 2016, with a generous financial support from development partners and under the leadership of the Government, USD 403 million in development grant was delivered through the 2016-2020 ZUNDAF.
